I request Deal A Party.com to provide fun casino entertainment for my guests and I on the \_\_\_\_\_.  
The Lotteries and Gaming Act 1976 has been explained to me. I am satisfied that Mr. Warner and I will not contravene the Gaming Act 1968, as:

1. The purpose of the event is to raise monies for \_\_\_\_\_, and not for personal gain. All proceeds from the event will be returned to a registered non profit making fund. A representative of the fund will collect donations from the guests at the event.
2. The provision of a fun casino at the event will only be advertised to our members and not to the general public.
3. The ability to win a prize is not the main reason for people to attend. The main event will be a \_\_\_\_\_.
4. No cash prizes are to be awarded.
5. Chips purchased at the event have no cash value and therefore cannot be redeemed for cash.
6. All persons utilizing the entertainment will be over 18 years of age.
7. I have agreed to pay Mr. Warner a fixed fee of £\_\_\_\_\_ for Deal A Party's services between \_\_\_:\_\_\_PM and \_\_\_:\_\_\_PM, irrespective of the amount my guests utilize the casino entertainment.

I have paid Mr. Warner a booking fee of £\_\_\_\_\_, which is equal to 25% of the total amount payable for the services to be provided by Deal A Party.com on the \_\_\_\_\_.

I understand that my booking fee is non refundable and that the balance of £\_\_\_\_\_ is due and will be paid to Mr. Warner on the day that the entertainment is provided.

(All cheques are to be made payable to 'Deal A Party.com')
